

Funds in the Tararua District

Tararua District Council has worked with the Te Awa Community Foundation to create local funds that ensure people in our communities can give and invest for the benefit of the place where they live. Council has seed funded seven local Te Awa funds - Tararua District as a whole; Norsewood & Ormondville; Dannevirke; Woodville; Pahiatua; Eketāhuna; and Pongaroa & the Coast.

Dannevirke Endowment Fund

The Dannevirke Endowment Fund is intended for organisations operating in the Tararua District who are contributing to the social, cultural, economic or environmental well-being of Dannevirke.

Any contributions you can make to the Dannevirke Endowment Fund will help to support these groups to provide services, carry out projects and deliver positive community outcomes.

All contributions to the Dannevirke Endowment Fund are invested and held as permanent endowments. Each year, the income earned by endowments is available for grants to charities and organisations that the fund is intended for. This ensures your gift really does keep on giving - year after year.

You can contact the Economic and Community Development staff at Tararua District Council with any questions via info@tararua.govt.nz and the latest news and information on Te Awa Community Foundation in Tararua District can be found at www.tararua.govt.nz/teawa

Thank you for supporting the Dannevirke Endowment Fund.
